

Jekyll Island Mother Nature Festival
Reduce, Reuse, Recycle - Regift Silent Auction
April 18, 2009

In honor of our new Spring Festival, the Jekyll Island Foundation is hosting a **Reduce, Reuse, Recycle - Regift Auction**. We are asking our local supporters to donate an item that they have, but have never used, for a silent auction like no other. Your donated items will be auctioned off at the 2009 Mother Nature Festival at the Georgia Sea Turtle Center and the proceeds will go to the continuing operation of the Georgia Sea Turtle Center. We would like the items to be somewhat related to the outdoors, nature, and/or ecology. They can be for any age group. We will not accept any items that are of "yard sale" quality. Remember the nicer the items, the more money they will bring for the Georgia Sea Turtle Center!

Please fill out the information below and bring with your item to the Jekyll Island Foundation before **April 10**. We are limited on space and will only accept the first 20 items approved. Thank you for your support.
