### Girl Scout Programs

**Option One** - \$4/scout (12 & under) \$6/Scout (13 & up)

Come to the GSTC for an 'on your own' visit to explore the Exhibit Gallery and Sea Turtle Hospital with our Sea Turtle Scavenger Hunt! Challenge your scouts to discover the world of sea turtles with this independent program.

Let your scouts become junior conservationists with a mock sea turtle nest excavation! This program offers time in the Exhibit Gallery (the sea turtle museum) and a guided visit in the hospital with live sea turtle patients. **Option Three**- \$12/Scout \$12/Adult (~3 hour program)

Includes everything in Option Two PLUS a guided beach ecology walk with a trained GSTC Educator. Scouts who complete this program will earn their Coastal Georgia Badge and receive a GSTC participation patch!
